Read about child labor then take dictation for two photos.

"Child **labor**" means the use of children in **industry** or business, especially for illegal or difficult jobs. Child labor is work that harms children or keeps them from attending school. The International Labor Organization estimates that 215 million children between the ages of 5 and 17 work in poor or severe conditions. Underage children work all sorts of industries including **agriculture**, fishing, manufacturing, and **mining**. They are also **domestic** workers. Some children get involved in illegal activities like the drug trade, prostitution, or even fighting as soldiers.
