Read about homelessness then take dictation for two photos.

Shelter is a basic human need. Since 1987 the homeless problem has gotten worse. There are many reasons for increased homelessness. The **unemployment** rate is getting higher. Cities are getting more **crowded**. And the global **economy** is **depressed**. Thus, more and more people cannot pay rent for a home or even for a room. Since the COVID-19 pandemic began in 2020 the situation has become worse.
